**Letters to Businesses Located in Four Zip Code Areas**

**Sacramento** – Retailers in Sacramento, San Joaquin, and Ventura counties are receiving letters from the California State Board of Equalization (BOE) notifying them about upcoming visits from Statewide Compliance and Outreach Program (SCOP) teams. SCOP visits are intended to educate retailers about properly reporting sales and use tax, increase compliance with tax laws, and maintain outreach efforts to assure taxpayers the state's tax system is fair and equal for all Californians.

The BOE is mailing letters to 5,916 business owners in the following zip codes: Galt (95632), Lodi (95240 and 95242), and Ventura (93001).

SCOP teams based in Sacramento and Ventura will conduct door-to-door, in-person visits within these zip code areas. It is important for retailers to understand that the BOE asks only business-related questions, and does not inquire about personal financial information. Businesses found to be operating without a seller's permit are provided instructions on how to register with the BOE, as well as information about other necessary licenses. Home-based businesses are not visited.

Since 2008, SCOP has visited more than 363,800 businesses statewide to verify retailers are registered, and to ensure noncompliant businesses do not have an unfair advantage over registered businesses that are reporting their sales and use taxes and/or fees to BOE.

The BOE has found that nearly 98 percent of the businesses operating in California are doing so with the correct permits, and collecting the taxes and fees. However, under-reporting taxpayers, and the other two percent that are out of compliance, are among those responsible for more than \$2 billion in uncollected taxes contributing to the state's "tax gap" – the difference between the amount of taxes owed and the amount paid, negatively impacting all state taxpayers.

If business owners have any questions about these upcoming visits, they may contact their local **BOE SCOP Team** or visit the BOE's SCOP Web page at [www.boe.ca.gov/sutax/SCOP\\_Overview.htm](http://www.boe.ca.gov/sutax/SCOP_Overview.htm).

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53.7 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
